Subject: NOFD 2016 Silver-Centennial (125th Anniversary) Yearbook
Date: April 27, 2016

This year marks the New Orleans Fire Department's Silver-Centennial. To commemorate the 125 year legacy of the NOFD our department is creating a 125th Anniversary Yearbook. This 2016 Silver-Centennial Yearbook will be the seventh edition in NOFD history and a FREE digital DVD copy of the first six yearbooks, which were published in 1891, 1965, 1984, 1991, 2000 and 2008, will be included with each copy of the NOFD 2016 Silver-Centennial Yearbook.

Retired members can have their picture included in the yearbook. Members have the option of emailing a photo, mailing a photo via USPS, using their photo from the 2008 yearbook or having a new photo taken. Retired members can have their new picture taken on May 9th, 11th or 13th between the hours of 9AM-4PM at 701 Rosedale Dr., New Orleans, LA.

The cost of the NOFD 2016 Silver-Centennial Yearbook is \$68. It is preferable that members arrange to pick up yearbooks at the fire department when they arrive however, yearbooks can be shipped directly for an additional \$5.00 charge. Please remember to add \$5.00 for each yearbook that needs to be shipped. Details for pick-up will be sent when members are notified that the books have arrived at the NOFD. Yearbooks for retired members must be paid for when the order is placed. The order form can be mailed with a check to the address on the order form or members can order and pay for books in person on May 9th, 11th or 13th between the hours of 9AM-4PM at 701 Rosedale Dr., New Orleans, LA.

An order form for retired and separated members is attached.

If you have any questions concerning ordering yearbooks, mailing of yearbooks, submitting or taking your photo please contact District Chief Chris Mickal, at 504-884-4908 or by email at cmickal@nola.gov
