FINANCIAL INFORMATION

Board members were provided with key financial revenue and disbursement figures for the New and Old system for June 2017. Mr. Lavene would like to add the total number of active members to the financial data.

OLD BUSINESS:

SEB payment history request: Mitchell noted that the Fund was seeking a response from Mr.

McConnell and the City attorney regarding a request for SEB payment information made by workmen's compensation on behalf of the City to retirees. McConnell did not attend the meeting.

Old System Reserve: Meagher reminded the Board that the Old System's reserves will be depleted at year end. Without a reserve benefit payments to the Old Fund members could be missed or delayed if the appropriations are not received timely from the City. He noted that Norman Foster considered returning a reserve amount to the Old Fund earlier this year and asked that efforts be made to consider placing a reserve back in the Old Fund. Ms. Garipey indicated that she would look into the matter.

FNBC Loans: Meagher noted that meetings continue with the FDIC. The matter was discussed in executive session.

NEW BUSINESS:

2017 Board elections: The Board was reminded that the nomination period is July 17-21, 2017. Notices have been issued.

Life insurance coverage: Meyer has followed up with the carrier on the insurance coverage. She indicated that the carrier will be able to provide more information in the coming weeks regarding the timing of coverage and members covered.

LEGAL:

Mr. Robein led the discussion on the following:

- There has been no response from the City Attorney on the applicable accrual rates for NOFF reinstatements/rehires.
- There has been no activity in the Mischler matter. Abatement period extends for three years after the last legal action. Case will not go forward until filing fees are paid.
- The appeal to the alternative interpretation was filed during April. Oral arguments are possible by late summer
- The Lakewood matter is discussed in executive session.
- The 2010 consent Judgement requires no action as funding is in place. The City has not dismissed the 2012 action, which was resolved as well.

MOTION: Moved by Meagher and seconded by Gaal to go into executive session to discuss legal matters.

Motion passed.

NO OBJECTIONS

MOTION: Moved by Gaal and seconded by Marchese to come out of executive session

Motion passed.

ADJOURNMENT

There being no further business the meeting adjourned.

TIMELY FILING OF APPLICATIONS:

All Members applying for retirement, DROP or PLOP must do so 45 days in advance of the scheduled retirement date. All medical documentation for disability applications must be in the administrative office 45 days prior to the scheduled retirement date. Failure to comply with the Fund's rules will cause a delay in the Board taking action and will probably force an extension beyond the member's desired retirement date.

The administrative office will continue to process all paperwork in a friendly, orderly, and timely fashion. We thank all applying members for their continued cooperation. This will enable the Administrative Office and the Board of Trustees to perform their jobs more efficiently.

Members who have recently changed their address or marital status and have not updated their beneficiary form should do so. Please contact the Pension Office during the hours of 10:00 am to 2:00 pm for beneficiary verifications. Your cooperation is appreciated.
